

# FAMILY DAY AT AUTOBAHN

---

NASA Midwest is excited to introduce Miss Shannon, acclaimed storyteller, as our Family Day entertainer at Autobahn Country Club.

Miss Shannon brings stories to life with interactive story time and theater games for children of all ages. Miss Shannon will oversee our popular craft tent with beading, coloring, race car making and many other family activities.

Twice on Saturday and Sunday, Miss Shannon will weave a story that involves the children in the storytelling. This program will run about 30 minutes and is entertaining for all ages, (us adults, also).

Don't forget the Ket Car races in Grid at lunch time!!

While registering your child is not mandatory it is helpful to us to have a head count of children to ensure enough crafts and supplies available. You can do this on the ABCC registration page.
