NASA Midwest is pleased to welcome Bennington Motorsports as our newest Tech Shop. Bennington Motorsports will provide HPDE inspections and Competition annual inspections/log books issuance along with full service racecar preparation and fabrication services. Bennington Motorsports is located in Lafayette Indiana and attends NASA events in both NASA Great Lakes and NASA Midwest Regions.

Nick Miller, owner of Bennington Motorsports has over 15 years of experience in restoration, repair/service and racecar building preparation. Nick specializes in 944 Spec builds and trackside support of 944 Spec racers, as well as spare parts and brings a back up car to most events!

Nick Miller, owner of Bennington Motorsports said, "I am are pleased to have this opportunity to serve NASA drivers in Northwest Indiana and surrounding areas. We are excited to help NASA grow throughout the Great Lakes and Midwest Regions."

"I am very pleased that we have brought Bennington Motorsports on board as a Tech Shop. Nick brings his expertise and experience in Porsche, Lotus, BMW and competition preparation to the an area of Indiana where we've not had representation. " said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, " I'm pleased to have Bennington Motorsports onboard to provide Tech Shop services to NASA Great Lakes and Midwest drivers".
