Chicago, June 23, 2009, NASA Midwest, Inc.

NASA Midwest is pleased to welcome Carriage House Custom Automotive as our newest Tech Shop. Carriage House Custom Automotive will provide HPDE inspections and Competition annual inspections/log books issuance along with full service racecar preparation and fabrication services. Carriage House Custom is located in Wanamingo Minnesota, 1 hour south of the Twin Cities.

Carriage House Customs has been in business since 2005, with Dave and Steve in the motorsports industry since 1990. They providing a complete compliment of automotive services such as roll cages, frame/chassis repair, engine/transmission building and restoration.

David Engel and Steve Marti, owners of Carriage House Customs said, "We are pleased to have this opportunity to serve NASA drivers in Minnesota, the Twin Cities and surrounding areas. We are excited to help NASA grow throughout the Midwest."

"I am very pleased that we have brought Carriage House Customs on as a Tech Shop. Dave and his team have embarked on a project few would attempt, the building of a 2010 Camaro for American Iron. We can't wait for its debut", said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, " I'm pleased to have Carriage House Customs onboard to provide Tech Shop services to NASA Midwest drivers".
