Chicago, March 23, 2011, NASA Midwest, Inc.

NASA Midwest is pleased to welcome Chicago Performance & Tuning as our newest Tech Shop. Located in Melrose Park, IL, Chicago Performance & Tuning will provide HPDE and Time Trial inspections and Competition annual inspections/log books issuance along with full street car service, racecar preparation, fabrication and dyno tuning.

Chicago Performance & Tuning has been in business since 2002, with the owner, Al Uscinski, is a grad of UTI and a factory trained Audi technician, eventually specialized in performance tuning of German automobiles. Al participates in DE events when time allows and looks forward to driving with NASA in the future.

Al Uscinski, owner of Chicago Performance & Tuning said, "I am pleased to have this opportunity to serve NASA drivers in Chicagoland and the Midwest Region. We are excited to help continue NASA's growth."

"I am very pleased that we have brought Al and his team at Chicago Performance & Tuning on as a Tech Shop. "Al brings a wealth of experience and enthusiasm to his customers and the motorsports world" said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, "I'm pleased to have Chicago Performance & Tuning onboard to provide Tech Shop services to NASA Midwest drivers".
