Chicago, March 29, 2011, NASA Midwest, Inc.

NASA Midwest is pleased to welcome VRPerformance as our newest Tech Shop. Located in Sterling Heights, Michigan, VRPerformance will provide HPDE and Time Trial inspections and Competition annual inspections/log books issuance.

VRPerformance was formed in 2004, with the owners, Eric Volz and Horst Reinhardt Jr., both automotive engineering grads, offering performance parts, service, installation, tuning and fabrication. From street cars to track cars to full on racing cars, they can do it all.

Horst Reinhardt Jr., co-owner of VRPerformance said, "I am pleased to have this opportunity to serve NASA drivers in Michigan and the Great Lakes Region. We are excited to help continue NASA's growth."

"I am very pleased that Horst and Eric have come on board as a Tech Shop. "Their education and experience sets them apart. I am excited to have VRPerformance part of the NASA family." said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, "I'm pleased to have VR Performance providing Tech Shop services to NASA Great Lakes drivers".
